Baldwin

“It’s not enough to just show up. You have to have a business plan.”

I can see no way in which this carefully laid plan could ever fail.

PI back up and involvement

A conceptual image showing five hands of different skin tones (light, medium, and dark) reaching from the edges towards the center. They are holding a circular splash of water that forms a ring. The water is captured in mid-air, creating a dynamic, circular shape. The background is plain white.
